DID YOU KNOW? The Knights of Columbus . . .

- Underwrote completely the renovation of the entire façade of St. Peter's Basilica in Rome, the most famous church in the world, the statues of Sts. Peter and Paul in St. Peter's Square, and the historic Rooms of the Architects in the Basilica proper.
- Support a multimillion dollar Student Loan Program for members and their children pursuing higher education, with all seminarians eligible.
- Have distributed millions of special Knights of Columbus rosaries at the rate of some 10,000 per month, especially to new members, and now to former members who are readmitted.
