Meditation Trail

Find peace in a slow walk to 9 meditative stations—sit and reflect. All are welcome during daylight hours. The trail is located at 22600 116th Ave. SE in Kent. East Hill Friends Church has given an open invitation to the community to use their Meditation Trail which is located behind their church. The trail is underutilized and they'd like to share it with anyone interested. For more information see the guide sheets on our bulletin boards.

PEW UPGRADE STATUS

Thanks to dedication of the parish, the pews on both sides of the main aisle have been upgraded with new wooden coverings. The wooden coverings were recommended by the Facilities and Grounds Commission with the agreement of the Worship Commission. The parish has gotten behind this all-volunteer program with comments for improvements of the first sample pews.

Many thanks go to the parishioners who are contributing the money and talent to upgrading the pews. The workers-to-date include: Ron Bernards, Martin Castro, Julian Coronado, Rob Cosgriff, John Feuerborn, Mary Ann Haman, Kip Hilson, Jim McCloskey, Ben Peralta, Carol Qually, Lloyd Qually, Jim Sheffield, Rob Ugarte, and Grant Weber. There is much more work to be done. The next group of 20 pews are scheduled to be done in September and October with short pews along the outer walls and in back to be done later. We currently have specified and dedicated funds for the next 20 pews but will need more funds for the rest. Lloyd Qually
