OFFICE OF THE MAYOR

MAYOR

**THE CITY OF WINDSOR IS PROUD TO CONGRATULATE  
RUSSELL A. FARROW LIMITED  
ON 100 YEARS OF BUSINESS EXCELLENCE**

*"To be successful you have to enjoy doing your best while at the same time contributing to something beyond yourself."*

*Mihaly Csikszentmihalyi*

Russell A. Farrow Limited exemplifies the very essence of the words quoted above. Since 1911, four generations of the Farrow family have played a role in the success of this respected business, and clearly enjoy what they are doing as is evidenced by the prestigious designation as one of Canada's 50 Best Managed Companies for two years in a row.

Located in the heart of the Great Lakes, Windsor is not only the gateway to North America, but is home to one of the busiest border crossings in the world. Russell A. Farrow Limited has played a key role in the movement of goods across this strategic international border for 100 years and has made an immeasurable contribution to not only our local economy, but the economies of Ontario and Canada as well.

I am always proud to recognize the success of a home-grown company. Russell A. Farrow Limited has expanded its operations across Canada and into the United States, but has demonstrated its commitment to our community by maintaining its headquarters in Windsor. This award-winning company has been a leader in its field by practicing the values of continuous improvement and innovation.

The City of Windsor has been enriched by the presence of Russell A. Farrow Limited through its generosity of time and resources to community organizations such as Habitat for Humanity, Hospice, Children First, the Windsor-Essex Therapeutic Riding Association and numerous minor sporting organizations.

On behalf of the members of Council, and the residents of the City of Windsor, congratulations on 100 years of business excellence. My best wishes to members of the Farrow family and to all of your employees for continued success.

Sincerely

Eddie Francis  
Mayor
